

# Afraid of the Dark

| Em | C | G | Bm |

## Verse 1

There's a monster under my bed  
We pillow talking  
Oh, how I long to be its friend  
But I don't wanna end up in that same place  
again

## Pre-chorus

I been doing better, doing better  
Been through heavy weather, heavy weather  
Never going back, going never  
I've been doing better, but I

## Chorus

I am still afraid of the dark  
Even though there's a sky full of stars  
I don't know where I'm going, but I'm on the  
run  
Can you leave a little light on?  
I am still afraid of the dark  
Even though there's a sky full of stars  
I don't know where I'm going, but I'm on the  
run  
Can you leave a little light on?  
A little light on

## Verse 2

Sing another song, come sleepwalk with me  
till it's dawn  
Come sweet talk to me 'til my heart has got  
nothing but love for the dark  
And I wish I was fast asleep, dreaming of my  
masterpiece  
Demons come and dance with me, oh you  
best believe

## Pre-chorus

There's a monster under my bed  
And it grows when I forget

## Chorus

I am still afraid of the dark  
Even though there's a sky full of stars  
I don't know where I'm going, but I'm on the  
run  
Can you leave a little light on?  
I am still afraid of the dark  
Even though there's a sky full of stars  
I don't know where I'm going, but I'm on the  
run  
Can you leave a little light on?  
A little light on
