Someone you loved – Lewis Capaldi

[Intro]
| C |G | Am | F |

[Verse 1]
I'm going under and this time I fear there's no one to save me
This all or nothing really got a way of driving me crazy
I need somebody to heal, somebody to know, somebody to have,
somebody to hold
It's easy to say but it's never the same
I guess I kinda liked the way you numbed all the pain

[Chorus]
Now the day bleeds into nightfall
And you're not here to get me through it all
I let my guard down and then you pulled the rug
I was getting kinda used to being someone you loved

[Verse 2]
I'm going under and this time I fear there's no one to turn to
This all or nothing way of loving got me sleeping without you
Now I need somebody to know, somebody to heal, somebody to
have, just to know how it feels
It's easy to say but it's never the same
I guess I kinda liked the way you helped me escape

[Chorus]
Now the day bleeds into nightfall
And you're not here to get me through it all
I let my guard down and then you pulled the rug
I was getting kinda used to being someone you loved

[Bridge]
| Dm | Am | G | Am |
And I tend to close my eyes but it hurts sometimes
I fall into your arms

I'll be safe in your sound 'til I come back around

[Chorus] 2x

[Outro]
| C |G | Am | F |
I let my guard down and then you pulled the rug
I was getting kinda used to being someone you loved
